- colouring-in pens & pencils
- scissors, and a hole punch if you have one
- elastic or elastic bands

1 Copy directly on to card, or on to paper and then glue on to card

2 Colour in

3 Cut out around the outline and eye holes (ask a grown up to help if you need)

4 Make a hole, one on each side, with the hole punch approx. at the level of the eye holes. Thread through and tie the elastic
