### Back from the Brink

A set of seven endangered British Wildlife designs created in partnership with Back from the Brink, an ambitious conservation project focussed on bringing some of Britain's most threatened species of animals, plants and fungi back from extinction. Stitch these designs to raise awareness or for fundraising, the designs include the Willow Tit, Pine Marten, Grey Long-eared Bat, Pheasant's-eye, Interrupted Brome, Shriill Carder Bee and Chequered Skipper.

### Grey Long-eared Bat

There may only be 1,000 Grey Long-eared Bats in Britain – that's less than Giant Pandas in China! All of the Grey Long-eared Bat roosts known in the UK, and there are very few of them, are in man-made structures so their lives are inextricably entwined with ours.
